A new way to record, track and monitor homework at Stationers' Crown Woods Academy.

We are excited to be launching Show My Homework, an online tool to help you keep track of your child's homework. Show My Homework will allow you to see the details of the tasks your child has been set, as well as their submission status and grades.

We'll be launching Show My Homework on 19th September 2016 and we hope that this service will provide parents with a deeper insight into the homework your child receives. More importantly, we hope that it will improve your child's organisation, time-management and help them to keep on top of their workload.

During the next few weeks you will be provided with login details to your personal account, ready-linked to your child's homework calendar. You will immediately be able to see all homework set, review submission times, see grades and communicate with teachers around specific assignments. Teachers are able to attach resources to homework which means students and parents/carers can work through things together. Moreover, it allows students to catch up on missed lessons and serves as a very helpful archive of resources for revision and refresher materials.

Show My Homework allows staff and senior leaders within the Academy to track and monitor student's progress and ensure complete transparency, making it easy to spot if a child is having difficulties. Not only that, it ensures that students receive high quality homework, differentiated to match their ability levels.

To view all homework set without login details you can visit www.scwa.org.uk where a link for Show My Homework is on our front page. You will also be able to login by following a link and clicking the top right 'Login' button.

This online system provides students, parents and carers with:

- ❖ 24/7 access
- ❖ the ability to view quality and quantity of homework
- ❖ a translation service into over 50 languages
- ❖ Free apps available for iPhone, iPad, iPod Touch and Android devices
- ❖ Receive automated notifications before homework is due

If you or your child have any questions about the service, please don't hesitate to get in touch with the team at Show My Homework, who are always happy to help. Just email help@showmyhomework.co.uk or call 0207 197 9550.

If you'd like to get in touch with the Academy or provide feedback, please contact the reception staff of Ashdown, Sherwood, Delamere or Arden.

Thank you once again for your support.

Yours sincerely,

David Millar
