Purpose of the plan

This plan examines potential risks and issues that could cause disruption to the management and administration of the exam process at Stationers' Crown Woods Academy. By outlining actions/procedures to be followed in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.

Alongside internal processes, this plan is informed by information contained in the *Joint contingency plan for the examination system in England, Wales and Northern Ireland* where it is stated that “Centres should prepare plans for any disruption to examinations as part of their general emergency planning. It is important to ensure that relevant centre staff are familiar with the plan. Consideration should be given as to how these arrangements will be communicated to candidates, parents and staff should disruption to examinations occur.”
