

STATIONERS'  
CROWN WOODS ACADEMY  
Executive Principal: Mr David Millar

Dear Parents and Carers of Year 9,

As you know we are privileged to be working with the organisation, Humanutopia and our Year 9 students engaged in their 'Who am I?' whole day workshops this week. These workshops were all centred around students' personal development; our students were encouraged to reflect on their attitude, their behaviour and their impact on others. Students were given the opportunity to discover their authentic self and to consider just where their true potential may lie and what their futures could be about. The workshops were quite emotional at times; we were incredibly proud of how our students engaged in all the workshops and especially to those students who stood and opened up to their peers throughout the day.

From our ongoing partnership with Humanutopia our aim is to help our students to:

- modify and/or improve their own behaviour to be the best versions of themselves they can be regardless of who they are with or the social setting they are in.
- understand other people's behaviour much better
- care more deeply about other people.
- want to try even harder in school to improve their grades.
- feel more positive about their future .
- have the confidence to make new friends

All students were given the opportunity to make an application to become a Hero-a student who will be given training and support through our ongoing partnership work with Humanutopia around how to help and support other students-many students took an application form at the end of their day which is great! Do chat to your child about their experiences of their day and whether they wish to apply to be a Hero. Deadline for these applications is next TUESDAY 27th MARCH. Forms can be given in to school receptions or at the Main Reception in the Crown Building. Heroes Training will be taking place early next module and we are really looking forward to this.

May I take this opportunity to thank all you all for your continued support; do drop us an email to share any comments you have about our Humanutopia workshops as we welcome feedback from our parents and carers as much as possible.

Best wishes,

Anita Croft  
Associate Principal
