

Physics	M1	M2	M3	M4	M5	M6
Topic Title	Fields and Option Unit	Fields and Option Unit	Fields and Option Unit	Thermal and Nuclear Unit		
Brief summary of content studied	Gravitational fields Astrophysics Turning points Required practicals	Capacitors Astrophysics Turning points Required practicals	Electromagnetism Required practicals	Thermal Physics Nuclear Physics Required practicals	Revision & exam preparation	
Link to Knowledge Organiser	Physics A level Knowledge Organisers					
Other resources and readings	A level physics: video tutorials & resources			Physics Tutor: Revision & Exam Practice
