

Module 1

Subject: Science
Topic Title: Unit 6
Brief Summary of Content Studied: Electricity, magnetism & energy
Knowledge Organiser
Other resources and reading: CGP books

Module 2

Subject: Science
Topic Title: Unit 7
Brief Summary of Content Studied: Periodic table, metals & acids
Knowledge Organiser
Other resources and reading: CGP books

Module 3

Subject: Science
Topic Title: Unit 8
Brief Summary of Content Studied: Health & lifestyle
Knowledge Organiser
Other resources and reading: CGP books

Module 4

Subject: Science
Topic Title: Unit 9
Brief Summary of Content Studied: Separating techniques
Knowledge Organiser
Other resources and reading: CGP books

Module 5

Subject: Science
Topic Title: Unit 10
Brief Summary of Content Studied: Adaptations & ecosystems
Knowledge Organiser
Other resources and reading: CGP books

Module 6

Subject: Science
Topic Title: Unit 11
Brief Summary of Content Studied: The Earth
Other resources and reading: CGP books
