Module 2

Subject: Music
Topic Title: Rhythms of the World
Brief Summary of Content Studied: This module looks at samba music. After learning these three musical traditions, pupils create their own rhythmic pieces in small groups using the traditions they have been studying.

Module 3

Subject: Music
Topic Title: Blues
Brief Summary of Content Studied: Pupils learn about the history of the blues. Musical features are studied and pupils work towards their own blues performance.

Module 4

Subject: Music
Topic Title: Rock'n'Roll
Brief Summary of Content Studied: Pupils rehearse and perform Hound Dog in small groups. Pupils understand the features of Rock'n'Roll music.

Module 5

Subject: Music
Topic Title: Pop Project - Performing
Brief Summary of Content Studied: How to read chords is explained and pupils use this knowledge to learn to play pieces of their own choice. Some pupils will build a repertoire (a list of songs they can play).

Module 6

Subject: Music
Topic Title: Pop Project - Composing
Brief Summary of Content Studied: Pupils create their own popular song. They use their own feelings and themes to make a song that is relevant to them.
