

Art GCSE

Module 1

Topic Title: Events

Brief Summary of Content Studied:

In this unit students will be expected to begin to develop their ideas independently in relation to the theme. They will begin working from a central stimulus They will be presented with a list of possible starting points and ways forward. There will be an emphasis upon observation drawing and how they fulfil all of the assessment objectives. They will analyse the artists work that relates to the theme in some way. They will be expected to utilise the skills that they have already learnt and to refine these through their choice of materials.
